I will talk to your attorney in person and tell him what I told the AG. I will testify to everything I told June Bug. That should help you right ? You could have had a conversation w me about the details. I feel like everything is a big secret w you.

You always said we talk things out.

This is Marks number. Obviously you're upset about the call I had gotten from your attorney. He called me out of the and began interviewing me over the phone. I told him I did not feel comfortable talking to him on the phone. I need to know more about what is going on first before I speak to anyone. Mark still has to work for the SP. I'm not sure if you're suing Division or that dick . You need to fill me in on what's going on first before I talk to anyone.

You never gave me a chance to explain. I'm really surprised by this

I get it u have been brainwashed

You hung up why ?
